LIVES CHANGED

FAMILIES RESTORED

COMMUNITIES STRENGTHENED

Pastor's Notes

“Finally, all of you be of one mind, having compassion for one another; love as brothers, be tenderhearted, be courteous.” 1 Peter 3:8

We need to have the heart of Jesus, or as we see here, the heart of God. As he just for a moment ponders the fact that his friend king Nebuchadnezzar was going to go through a tough time so that God could humble him! May we have broken hearts for those that have fallen, and remember we are only one bad decision from joining them. God will do whatever He has to do to rid us of the prideful sin such that King Nebuchadnezzar had in thinking it was all about him. Let us make sure that we are watchful over our own hearts that we may not fall into the same sin of pride as King Nebuchadnezzar.

God Bless!

TESTIMONY FOR JESUS

I'm not here to glorify where I've been or what I've done. I'm here to shed some light on the work God has done in me and for my life. Before U-Turn, my life was a playground for the enemy. My days were drowned in booze, men, parties, and drugs. This is my second trip to U-Turn. The first time I only went through first phase but I was only setting myself up for failure in the end. Coming in this second time, I was in the same place spiritually, mentally, and physically - the exact same things that brought me here the first time. My life wasn't the worst it could be, but I have lived my fair share of disobedience and sin. Either I could blame everything and everyone else like "how I was raised", or I could admit the reality of the matter-that I'm simply a sinner saved by grace. After my first attempt in U-Turn I returned home after only completing phase one, and life was good. I got plugged into a church, God blessed me with an awesome job, a car, a family of fellowship, and much more. But in time, the things God had blessed me with started becoming the things I idolized in place of Him. Not long after, I found myself knocking at the door of U-Turn

for a second time, thank God I did. I'm here today serving in the second phase on the ranch. I now know He is making and molding me the way He sees fit. God has put in me a new spirit. Not every day is easy, but every day is worth it because I stand today free in His victory. Christ's changes in me are beyond what I'd ever asked for, all I wanted was to just be clean. But He gave me life, showed me the meaning of love, (Proverbs 10:12), and how to serve with a genuine heart of joy. How to walk in the spirit when I feel like drowning myself in my flesh. There is an out, and I've been allowed to experience it but I've also been brought to the reality that it only comes through Jesus Christ. - Alyssa

MAKING A DIFFERENCE

YOUNG ADULTS MINISTRY

U-Turn For Christ and Calvary Chapel Romoland has started an exciting new ministry called “Young Adults”, a Christian discipleship of young adult believers ages 18-35. The goal is to create an environment for young adult Christians to grow in faith and purpose in Christ. Our purpose is to disciple, guide, and nurture the growth of young adult members in preparing for adult life in an ever-increasingly secular world. Our heart is to build strong, long-lasting foundations in Christ, and guide each other in fellowship with like-minded peers with whom we can share hopes, joys, and passions – and bear each other’s burdens all in a manner consistent with biblical Christianity. We covet your prayers for the men and women seeking to grow in His Grace and Love.

JOIN US

Join U-Turn For Christ for Sunday morning services at 8:00 am as we go verse-by-verse, chapter-by-chapter through the Bible. Currently, we are going through the book of Daniel. Our Sunday morning teaching isn't just a sermon, it's a Bible study, so don't leave your Bible at home. Whether you are a first time visitor in our community, or just passing through town, our goal is to welcome you warmly to our church. We are located at Calvary Chapel Romoland, 27192 Adams Ave. Romoland CA 92585. If you would like more information, please call (951) 943-7097.
