PASTOR'S NOTES

"So when Peter saw it, he responded to the people: 'Men of Israel, why do you marvel at this? Or why look so intently at us, as though by our own power of godliness we had made this man walk?'" (Acts 3:12)

Remember with me that Peter had just healed a man who was lame from his mother's womb. It would've been very easy for Peter at this time to have pitched a tent outside the Temple and start a ministry called "The Apostle Peter's Miracle Healing Ministry". He could have started charging people huge amounts of money just to be touched by him, or to be held by him, or even to be blown upon by him like some self-appointed false prophets do today. **"I am the LORD, that is my name; And My glory I will not give to another, Nor My praise to carved images."** (Isaiah 42:9). However, on whose name did Peter call for the miracle to take place? The same name that you and I need to be calling on, and that name is Jesus Christ of Nazareth. **"Therefore humble yourselves under the mighty hand of God, that He may exalt you in due time, casting all your care upon Him, for He cares for you."** (1 Peter 5:6-7). Peter was making sure that everyone knew that it was not he nor John that brought this miracle about. It was the risen Lord, Jesus Christ! Let us be those who give all glory to Jesus!

TESTIMONY FOR JESUS

Matthew

I was raised in a good family. We were in church every Sunday and Wednesday, and I've even prayed over people and their lives. I was raised in a working family, we are really close to each other and we have always taken the time to be with each other. I have an older brother and a younger brother, we were also close. We loved playing football together and riding our bikes to school in the mornings. It was during high school that I started using drugs and hanging around people I knew I shouldn't. I got busted for drugs and my life was going straight to the pits. From there I was getting in trouble all the time, I was in and out of jail, but I was always aware that the road I was on would lead to nowhere. Jesus was always calling my name and my spirit was always nudging. I had my child at 23, and continued to live this lifestyle for another 16 years. I knew I had to change. I got baptized and it was then that the Lord began working on my heart and started to change my life. My Aunt and Uncle recommended U-Turn For Christ and I knew I needed the help if I wanted to succeed in life. So I made a choice to get in contact and had my mom drive me here. U-Turn For Christ has changed my life! By the grace of God I've been able to restore my relationship with my children. I'm able to be a dad, a son, a nephew, an uncle, and a grandson all thanks to the Lord! I thank God for my life and for the ways He has changed my heart.
