PASTOR'S NOTES

Many times I have thought to myself, Gerry you really need to be setting the example of serving others, only to convince myself that I am at least trying my best. The problem with that is that "Trying" isn't good enough for the Lord Jesus Christ.

The other day I was asked to write a little piece for our newsletter with regard to this idea, so I have sat down to do just that, with the hopes that I might encourage you.

You see in our Christian walk there will be times of us serving well, and other times of us not serving at all! Fellow Christian we have been called in scripture to follow Jesus, and He was a servant!

"For even the Son of Man did not come to be served, but to serve, and to give His life a ransom for many." (Mark 10:45)

We need to really look at how we might serve first the Body of Christ, and then those outside the faith as well. Serving means that we need to do whatever is needed to help promote the name of Jesus and see others come to know him in a real and personal matter.

Lord help us to not look so much to be served but that we would look to serve others, not care so much about self, but let us think about the wellbeing of others.

Pastor Gerry Brown

TESTIMONY FOR JESUS

Erb Family

Before coming to U-Turn we were both lost, broken, and confused by the addictions and lies of the enemy. Our sin drew us both so far out that we landed at the feet of Jesus and the doors of U-Turn. Spencer came to the ministry a second time in March 2018 after living in his car and abusing drugs, I came in March 2020 after a lifestyle of drinking, promiscuity, and an eating disorder. From there God rebuilt us from the ground up. With our hearts focused on the Lord and His plan for our lives, we both became part of the Leadership of U-Turn and as time went on, God ignited our hearts for one another. God trained us in patience, trust, obedience, love, and so much more. In November 2021 Spencer and I were married on the beautiful property of the U-Turn Men's Ranch, surrounded by those who helped build us up & encourage us in the Lord. By December of 2022 we were blessed with our greatest gift, our daughter Kayleena Moriah. The Lord gave us to one another in order to complete us, still drawing us daily closer and nearer to His truth and purpose for our lives. Our hearts

today wouldn't be complete without the love of Christ, our U-Turn family, and our new found freedom in Him. This is only the beginning of what we know the Lord has in store for us. We are blessed by the miracles of God in and through us, for our home, and for our family here at U-Turn.
